Unique Bottle Design Features Wide-Opening Aluminum Cap

**ERP™ is the product trademark for Environmentally Responsible Products provided exclusively by Concept Amenities.

Kudos Spa offers a complete range of ERP™ (Environmentally Responsible Products) featuring EcoPure®, an organic based additive which means our bottle is fully biodegradable. So is all of our soaps, soap bars and sachet packaging.

Many "so called" green products on the market don't live up to their claims of biodegradability and those finished goods do not meet the ASTM D511 standards for testing plastics' biodegradability, but Kudos Spa does! Kudos Spa ERP™ biodegradable bottles will start to break down almost immediately when placed in a landfill.

*ISO DIS15985 & ASTM D 5511-02 standard test performance to determine biodegradation of plastic packaging materials under hi-solids anaerobic - digestion simulating landfill conditions, independently conducted and analyzed by Northeast Laboratories Inc, CT.

***EcoPure® is a registered trademark of Bio Tec Environmental LLC.
