# PREPAID RECYCLING ORDER FORM

Recycling Made Easy

**Introducing ...Prepaid Recycling for lighting and Fluorescent Lamp Recycling Kits**

Recycling provides a safe, convenient and cost-effective way to ensure small quantities of fluorescent lamps, batteries, ballasts, mercury containing thermostats, and devices are properly recycled in accordance with federal, state and local disposal regulations. One price includes everything you need to begin recycling- packaging, freight to and from your facility, processing and certificates of recycling. Simply order, fill, seal and ship with the prepaid shipping label. Pineapple Hospitality carries the liability protection you need when managing the risk of improper disposal. Most importantly, it keeps you in compliance.
